**Newburyport Art presents
The Summer Arts Market
Friday, June 14, 2024 – September 1, 2024**

Newburyport, MA - Newburyport Art (NAA) is pleased to announce the return of the annual Summer Arts Market, a lively outdoor pop-event featuring the work of our member artists as well as NAA Featured Interest Groups. All summer long, Friday through Sunday, art lovers and makers can enjoy a rotating slate of vendors during our open hours. Add a splash of color to your weekend by dropping in to support local artists and take home some one-of-a-kind handcrafted treasures for your home, friends, or family.

The Summer Arts Market has been bringing the Greater Newburyport community together with its showcase of local talent since 2021. Just like our shows, the Market boasts a diverse array of work, from painting, to jewelry, to pottery, to sculpture—each weekend offers something new.

The Market is also an incredible opportunity to meet and strike up enriching conversation with our amazing member artists and Featured Interest Groups about their work. This year's Market will include the work of Liz Bell, Katie Cornog, George Darcy, Bonnie Lake, Melanie Lamar, Cynthia Marino, MaryAnn McArdle, Peggy Poppe, Nancy Powers, Christine Sanford, and Veronica Wolfe.

Our featured interest groups are artists who meet to discuss, share, and educate the community on art of a particular genre, medium, or method. This year, we are thrilled to have the Abstract Artists Group of New England (AAGNE) and the Watercolor Interest Group. Their participation spells an exciting variety of styles, media, and approaches for all artistic tastes. If you don't buy, simply stay to chat; they are eager for you to know more about their artform and hear about your love of art!

The Summer Arts Market runs from June 14th through September 1st in our courtyard next to the Sculpture Garden, located behind the building along the scenic Newburyport Rail Trail. All work is for sale. The gallery is open Tuesday through Saturday, 11-5 pm, More information, as well as an online gallery is available at newburyportart.org
